Professional Summary

Full Stack Web Developer looking to bring my creativity and decision making to the forefront of any staff. I have a very good work ethic. I am dependable, I work hard to learn & become independent & I avoid co-worker drama. I take pride in the fact that I can work with all types of people. If conflicts arise, I don't have any problem defusing the situation & creating a peaceful work environment. I am an asset to any team because I am eager to work & open to learning new things. Many former managers have indicated that I am one of their best employees.
